FATHER RIEDEN

This year at Lumen Christi a new principal replaced Fr. Russell, who left last June. Fr. Thomas Rieden O.S.F.S. has continued Lumen's commitment to excellence and he has shown his leadership and dedication.

Fr. Rieden has had much experience at the administration level. He was principal of Aquinas High School from 1977-86, development director at Gabriel Richard High School in Ann Arbor from 1986-87, and the disciplinarian at St. Francis de Sales High School from 1976-77. He has received his Bachelor's degree in Philosophy, a Master's degree in English and Master of Divinity in Theology.

His plans for the future of Lumen Christi are to continue to build a strong academic program and to secure an endowment fund to ensure the future of Lumen Christi.

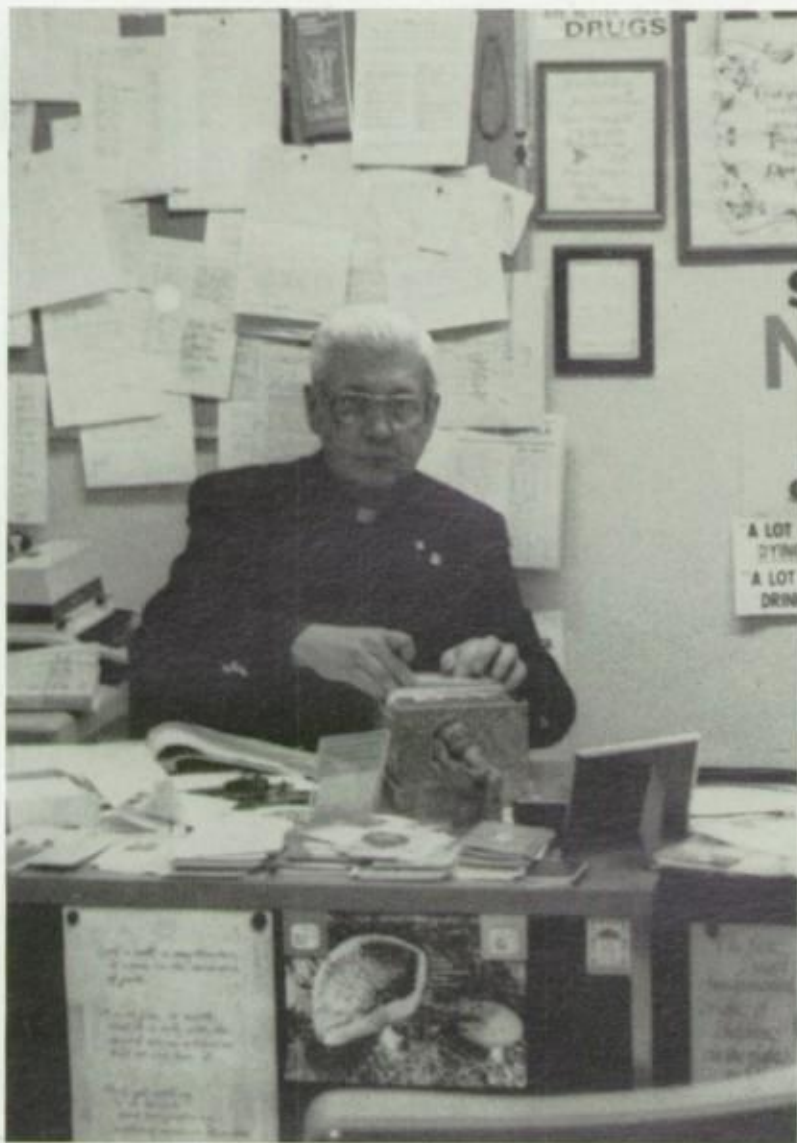

We wish to welcome Fr. Rieden to Lumen Christi and we hope he has good luck in the future.

"Fr. Rieden, we welcome you to our school and we hope you enjoy your work here. Good luck with everything you do."

KITCHEN STAFF AND MAINTENANCE

The Kitchen staff provides our lunch every day. Mrs. Lefere and Miss Williams work hard to make sure everyone is well fed.

Mrs. Summerfelt, Mrs. Corser, and Mr. Janson work hard to keep our school looking nice. Their efforts should be appreciated. The maintenance staff does a fine job.

Without people like Mrs. Lefere, we wouldn't eat!

◆ Mrs. Corser helps keep our school clean.

▲ Miss Williams relaxes after a long day in the kitchen.

It's a race! ◆

Been a long day, Mr. Janson? ◆

"They went that way!" says Mrs. Summerfelt. ♥

Parent Involvement

▲ Mothers help out by selling supplies in the bookstore.

◆ Mom says volunteering isn't always easy!

Lumen Christi parents are a vital part of our school. Our parents help us out by working in the lunchroom, bookstore, library, offices as well as numerous other activities outside of school. Parent volunteers donate to Lumen Christi thousands of hours of their free time in order to make our school run efficiently.

While quite often what they do seems to go without recognition, all of their work is deeply appreciated. This past fall all of our parent volunteers were honored with a special dinner and mass. We would just like to thank these parents for all their time and efforts. They have helped make our school what it is today and we really do appreciate it.

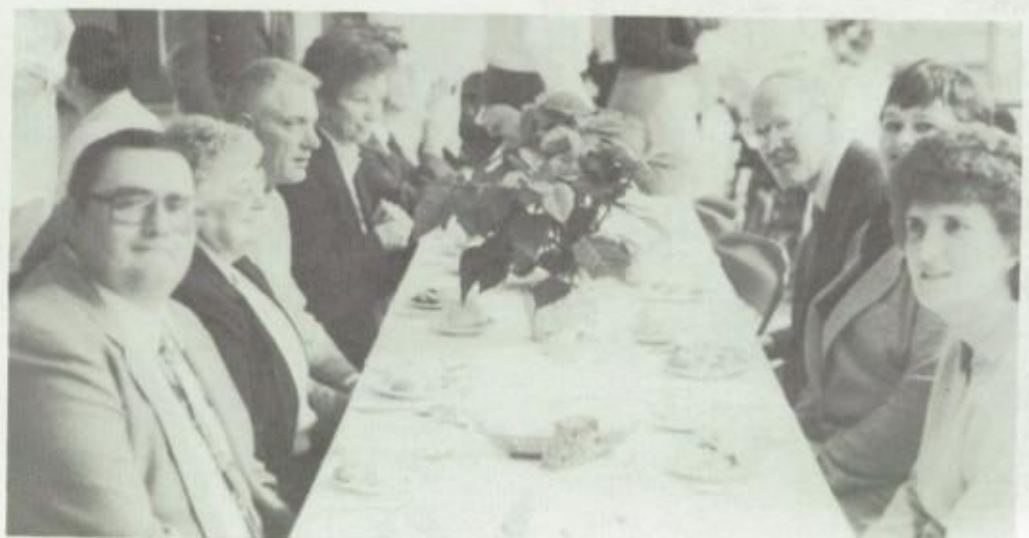

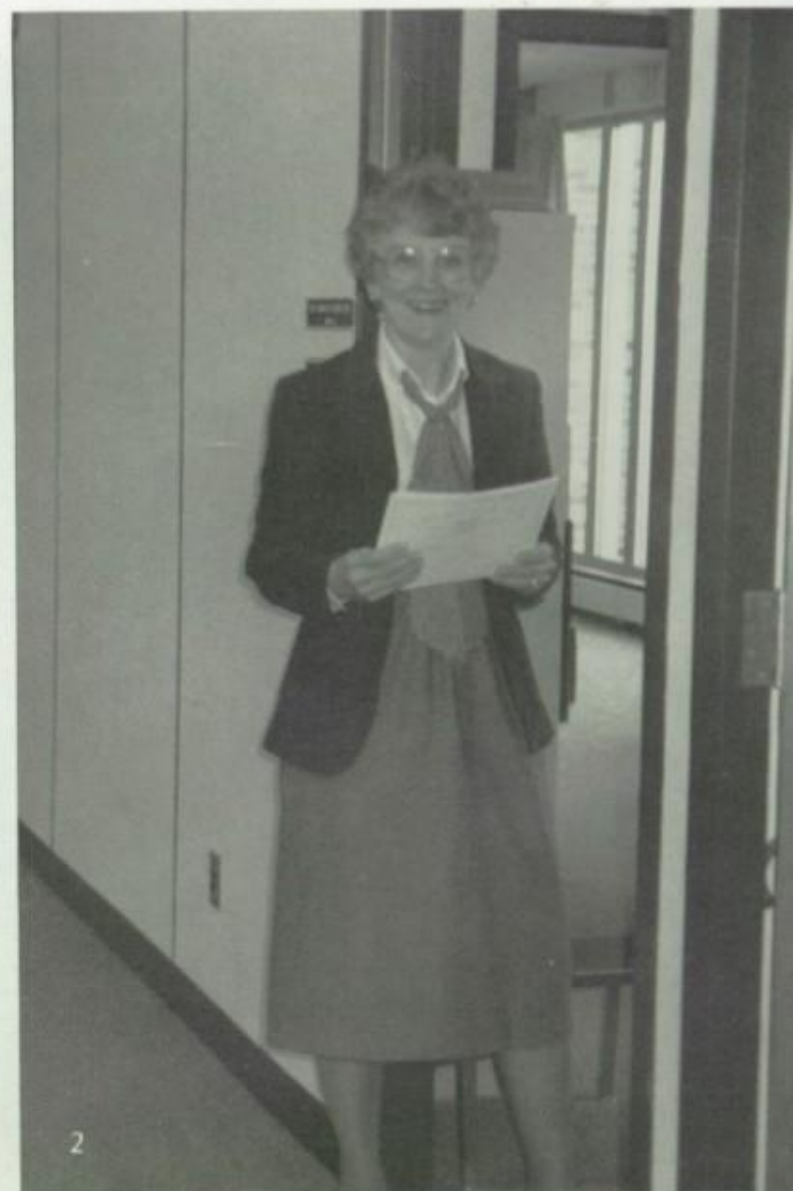

▲ We thank our parents Lumen Christi style.

◆ Parents make annual auction a big success.

♥ LC parents are honored at a special dinner.

We are very grateful for the endless efforts and time they take out for us. THANKS SO MUCH SECRETARIES!! We REALLY do appreciate it!!!

STUDENT SERVICES

Students at Lumen Christi show their school spirit in getting involved. Their pride shows through in the work they do. Hallguards keep order in the halls during class exchange. The maintenance staff keeps our halls clean and the classrooms neat and orderly. They also set up tables and chairs for dances or other special events. Kitchen workers serve lunch during the lunch hour.

We are all proud of all the students who work so hard to make our school year enjoyable.

1 — The maintenance staff is ready for work.

2 — Dina Proietti, Tim Summerfelt, and Dick Langley work at the Presidents' Dinner And Auction.

3 — Service with a smile from Andie Fairchild and Kelly Wrozek.

The Audio Visual department has an assortment of materials: movie projectors, tape recorders, slide machines, televisions, VCR machines and Academic books to name a few.

Mrs. Rosemary Repasy and Mrs. Shirley Tallman keep busy with the book sales and the control and upkeep of this equipment. Another job is to keep watch over the xerox machine. Without the A.V. Room all of Lumen Christi's Staff and Students would be without a "very helpful room."

The Parent's Association is an important part in the smooth operation of Lumen Christi. The Parent's Club meets on the first Monday of every month and along with other duties they are responsible for organizing and working on many fund raising events. Some of the major projects include the Rummage Sale, The Spring Festival, Bingo & Presidents Dinner and Auction.

The Parent's Club also plan the Christmas Dinner for the faculty staff.

One is the Policy Committee whose function is to aid the principal in formulating policies that would give a sense of direction to the school.

One is the Finance committee that would help the principal in the area of financial concern.

The mathematics department is an integral part of the curriculum at Lumen Christi High School. The department offers a wide range of courses for students of varying abilities. The teachers in the department emphasize the importance of mathematics in high school, college and careers. The teachers in the department are Mrs. Leathhead, Sr. Rosemary, Mrs. Larner, Mr. Neville, Mr. Summerfelt, and Miss Hogle.

S C I E N C E

At least four credits in science are required for all Lumen Christi students. Those preparing for college are encouraged to pursue additional work in the advanced sciences.

Students in science are introduced to the investigative processes of both the life and physical sciences. Through laboratory activities, the students relate the subject matter to experimentation.

There are many opportunities to become involved in the intellectual processes of inductive reasoning and the application of mathematics, particularly in the physical sciences. The courses offered are Physics, Chemistry, Biology, Physiology, Introductory to Physical Sciences, Health, Genetics and General Science.

RELIGION

A religion department has a comprehensive program of study from Scripture and Church history to Morality, Peace and Justice, and Christian Ethics. Our courses include a review of the fundamental teachings of the Catholic Church and also courses of Christian personality development and of Death and Dying.

Our program is a complement to the role of parents as principal educators of their children and it is our desire to offer a program of study that covers the whole nature of man.

ENGLISH

The goal of the Lumen Christi English Department is to develop students' skills in reading, writing, speaking, and thinking. The course offerings range from basic reading to Shakespeare. A student enrolled could easily find himself or herself giving a speech to classmates as well as attending a play at a major university.

To graduate from Lumen Christi — eight semesters of English are required. Since the student population is diverse, with varying degrees of skill and different levels of need, the English Department faculty tries to meet those needs with a variety of methods and approaches.

Business

Students are being prepared to work in the real world of business. Accounting I and II acquaints students and develops their understanding of accounting terms and vocabulary offered to Sophomores for the 1st time in 87-88 and to Juniors in 88-89.

Business English prepares students with the basic principles.

Office Block students will type for five minutes at 45 words per minute or higher with no more than 5 errors. When the course is over, students will be able to use personal and professional qualities necessary for secretarial work.

Clerical students will demonstrate the ability to file alphabetically and geographically and will be able to figure a payroll.

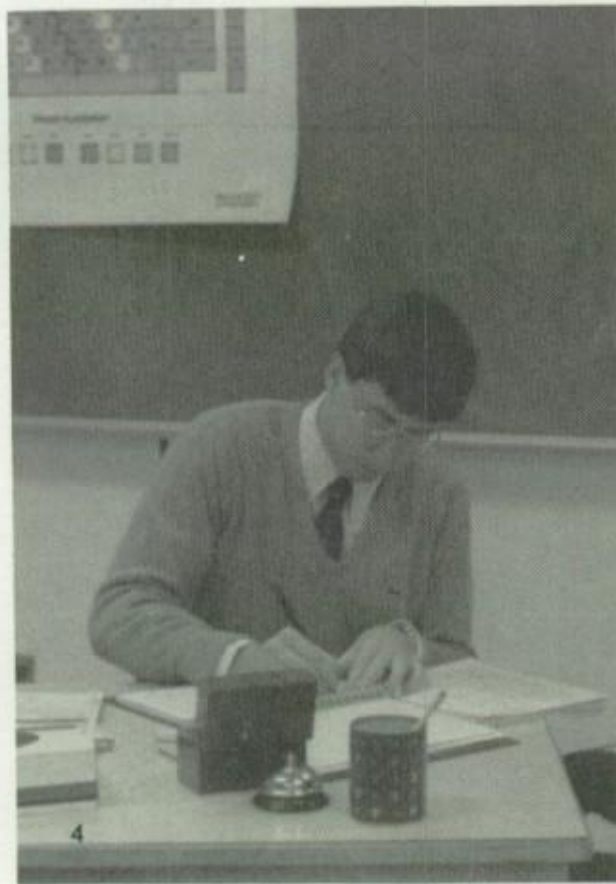

Shorthand I and II enables students to transcribe and to read shorthand plates.

Typing I and II helps students to develop the ability to type various things such as business forms.

Word processing helps students to edit, load and print such things as term papers, memorandums and reports.

Alphahand is a system of shorthand based on the long hand alphabet will be offered to Juniors and Seniors for the first time in 88-89 it's a brand new course.

Office procedures offered instead of block for the first time in 87-88 and will be offered again next year.

FOREIGN LANGUAGE

Creativity and communication skills can be expanded at Lumen Christi through the Foreign Language department.

Four years of French, German, Latin or Spanish are offered through the study of a foreign language. They are an asset to business skills for later life.

The most important goal of the Foreign Language department is to build a respect and appreciation of the customs and culture of the people who speak the language. This includes the overall Christian school goal of developing self-respect and respect for others.

The Social Studies Department of Lumen Christi High School has, for the most part, maintained a steady road in the last five years.

The classes within the curriculum that have remained a central part of the department are Government, U.S. History, Economics, Psychology, and Sociology. New course offerings include Western Civilization, Applied Economics, and World and U.S. Geography. Since the addition of the Applied Economics course, the Economics course has been offered as an honors course, thus enhancing its appeal for college bound students.

The members of the department hope that they can continue to provide and strengthen the core courses that have been and will continue to be the backbone of the department, while at the same time examining the ever-changing world of Social Studies, in order to keep pace with the needs of our students.

The Band Department here at Lumen Christi has been very busy during the year. Students who are beginners take Reporatory Band. This teaches them the basics of music. Concert Band is for the musicians that are knowledgeable, but need a little work. Their goal is to improve their abilities. The best lie in Symphonic Band. They continue to polish up their already accelerated skills. These students have the option of participating in Honors Band. To do so, they are required to play a solo and write two reports each quarter. Symphonic Band also attends a State Festival each year and has continued to do extremely well.

Band members are encouraged to participate in solo and Ensemble during the winter. This is a competition for high-school students where they play for a judge alone or in a small group. Their selection is graded and if they receive a one in their rating they are given the option of going on to state-wide competition.

All of the bands work very hard each year to put on a good show of entertainment for the audience and have made a tradition of making beautiful music here at Lumen Christi.

HOME ECONOMICS

Home Economics helps students develop their "God-given" skills. Sr. Barb Quincey teaches Foods, Clothing, and Homemaking. Each class has special projects they work on throughout the year. The projects in foods are viewed by family members at their annual dinner, while the clothing students grace the school with their handy work.

Home Economics is a great way to become prepared for the future away from home.

DRAFTING

Drafting, one of the more skilled courses taught here at Lumen Christi, is one great experience for students. Mr. Corser and Mr. Jamie Crowley teach the course. In drafting, students learn basic architectural skills and have the opportunity to design and build their own products.

Talent, ability and patience are all a must in our drafting classes.

Art III is a mixture of styles, media and techniques, with emphasis on figure drawing and portraiture. Art IV teaches traditional and contemporary directions. Art IV is also an honors course.

This year our senior editor, Becky Andrews, and our junior editor, Heather Graham, devoted a large amount of their time after school to checking and redoing pages. The book wouldn't have come together without them, or Mr. Nowak, our Yearbook advisor.

The Student Council contributes to many of the school functions throughout the year. A few of the activities they plan include Homecoming Week, King and Queen elections, Lenten Drive, Blood Drive, Book Sale, and of course elections for the new Student Council members each year. Without the Student Council the school would have a great loss. So a BIG thanks goes out to all of you for your help.

In order to put together and print the newspaper they need assistant editor Bob Biggs, News editor, Brian Wisniewski, Feature editor, Eric Burdick, Sports editor, Brian Fors, and Copy editor David Marazano.

With a large and more diversified staff of students, the Titan Times has reached out in new directions. Monthly columns have been included along with additional features, commentaries and ads.

The Titan Times staff is enthusiastic about the many challenges and improvements they make on their newspaper. The best part, according to Mrs. Weston, is that everyone is involved and having a good time making changes happen.

D R A M A

The participants of the 1987-88 Lumen Christi Drama Club have put on fine performances throughout the past year.

Tremendous hours of hard work and dedication have been put into the two major plays. The fall production of "The Mouse That Roared", and the enthusiastic musical, "Bye, Bye, Birdie" have both shown an enormous amount of talent and the ability to do well. Also this winter, a show called "Glimpses" was put on as a conglomeration of skits.

Most performers are returning members and have had experience involving the stage. They like doing the work it takes to make the plays enjoyable.

It is obvious that the Lumen Christi Drama Club has had an exciting year. All would agree that the hard work has certainly paid off!

▲ Here's where the Titan spirit is.

This year, the marching band has shown their Titan spirit by performing at every home football game, and one away game at Withington Stadium against Columbia Central. Several band members attend many other athletic events to support other fellow Titan teams with their spirit and music. This group also marches in various parades throughout the year.

The band is under the direction of Mr. Jeff Wilkins, and the Drum major, Anne-Therese Fifelski.

These students truly are some of the most spirited people in our school. We should be thankful to have such a rowdy group of students to keep up spirit throughout sport events, and thanks to all the band members who keep our school song in tune!

Students involved in this activity must be dedicated and hard working, as much of their work is done on their own. Keep up the good work!!!!

The Christmas Concert, school masses, and the performing Arts Banquet are three places the choir can be seen and heard.

In its second year under the direction of Mrs. Cole, the choir has grown quite a bit. Lets hope it continues to grow, and maybe in the future they can do even more for the school and the public than they already have.

Intramural sports are a good way to get together with a few friends and have a great time competing in a favorite sport.

Mr. Ramker has supervised all the intramural sports throughout this past year.

Airforce football has separate girls and boys teams. Some seniors acted as referees to fulfill their senior service requirements. Other sports available for intramurals are basketball, volleyball, and softball. Each individual team chooses its own original name.

Exercise, having fun and competing with friends is what intramurals are all about.

According to Coach Williams, "this year's team was a great group of young men to work with. They have now gone undefeated two years in a row, which is a great achievement on everyone's part."

All in all, the team as a WHOLE showed their outstanding effort and potential to improve and set goals for themselves, and to follow through in accomplishing these goals. CONGRATULATIONS guys, for a job well done!!

Freshmen Pull Off 5-2 Season

The 1987 Freshmen football team turned in a 5-2 win-loss record. The team had a slow start, losing two of their three games, but had a "never say die" attitude. They worked very hard and improved each week as the season went on. The team played hard and learned what it meant to be in football at Lumen Christi. With continued hard work, this year's Freshmen will follow in the great football tradition of Lumen Christi teams. They had good leadership with Tri-captains Steve Fletcher, Greg Madalena, and Nick Arcaro. Mr. Dan Crowley was this year's Head Coach with assistants Mr. Tom Summerfelt, Mr. Larry Postl and Mr. Todd Bell.

Look alive Girls!!

Even though the girls Varsity Basketball team finished 9-12 this season, it maintained the formidable reputation it has built during the last few years. The team was 5-2 against class A opponents, including a victory over Adrian, which suffered it's only regular season defeat against the Lady Titans. In conference play, the team handed Western it's only conference loss. Although they lost in double overtime to Chelsea in the district semi-finals, the team impressed it's fans and opponents with it's "fight to the finish." The girls Set a Team Record (60%) in free throws made, and the underclassmen are looking forward to a great season next year.

While all of the girls had an excellent season, there were a few who especially stood out. The leading scorers were Madelyn Nuels, who averaged 13 points per game and Diane Lefere, who averaged 9 per game. Madelyn Nuels, Merri Walsh, and Holly Thorrez all had around 5 rebounds per game. Kristen Lefere, Diane Lefere, and Holly Thorrez led the team in assists. All of the girls did great this season!

A team of 4 Sophomores and 7 Freshmen finished the season with a 26-3 record — the best ever for a Junior Varsity Volleyball team. Kristen Lefere was a leading server with Karen Aderhold and Holly Thorrez, and Kristen also led in setting with Krissy Lefere. Diane Lefere, Amy Dzierwa, and Holly Thorrez were top spikers. Coach Jill Hogle seemed pleased with the team saying, "All team members have improved greatly over the past season, especially the Freshmen." The JV Volleyball team has a record of 46-6 in the past 2 years. There should be a good Varsity team in the future to continue the great Volleyball tradition at LC.

We pass on this responsibility to the remaining staff and the incoming freshmen, and we send out seniors off with a "Good Luck". Keep this book as a memento of a good year full of many wonderful memories, as it has been memorable for us.

The 1988 Chi-Rho Yearbook Staff is finally finished with deadlines, deadlines, and more deadlines. It took many months of hard work and devotion from all of our staff and editors to complete the yearbook this year. This year we attempted many new approaches to publishing a more creative and unified yearbook. We discovered that, like all learning opportunities, some of these different attempts didn't always work out. However, that just teaches us what we are capable of doing and what just won't work.

Working late hours with people, you really learn what unity is all about. Without the help of all of the editors and staff we couldn't have pulled

through this thing.

We also appreciate all of the considerate teachers who allowed us to get out of class to work on the yearbook. It may not have been what you wanted, but we hope that through your help, this year's yearbook will be something you will find worthwhile.

We hope that you enjoy looking at the memories of your year at Lumen Christi that we have captured on these pages. Whether you are a senior or a freshman, every moment is important. As you look through the book, you may find a few mistakes. Forgive us. We tried, but it's hard to find and correct every error at 11:00 at night.
